WHO LEADERS ARE // WHAT LEADERS DO

WHO LEADERS ARE

CHILDREN OF GOD

We are **Children of God**. Nothing we *do* can change that.

But, all of us are not in our final-form! We're all still **developing!** Students need Jesus-following mentors but we *all need Jesus*.

We choose to see students as they **will be**, not merely as they are *today*.

This changes *everything*. How we minister to students will completely rely on the fact that we are children of God.

1 John 3:2

Dear friends, we are **already** God's children, but he has not yet shown us what we **will** be like when Christ appears. But we do know that we **will** be like him, for we **will** see him as he really is.

WHY DO WE SERVE?

We serve **Students** *because* we serve the **Savior**, not the other way around. Jesus is the reason we do everything. We receive **unity** in Jesus, not in students!

WE SERVE THE SAVIOR

WHAT LEADERS DO

02 ASK GOOD QUESTIONS

This is the basis for all relationships, and builds **trust** with students.

03 OUTREACH-OBSESSIVELY

As leaders, we are constantly welcoming **first-timers**, high-fiving **regulars** and building student **leaders**.

04 TRUST-FIRST

Within our team, we **trust** each other, first. We know our strength as a team grows from camaraderie (try to spell that one!).

05 FOCUS ON STUDENTS

Student Ministries is student-focused. It's about **them**, *not us*. It's a joy to know we're making a difference in the lives of students.

06 SOURCE THE BIBLE

The **Bible** is the best source to know God's will for our student's lives. It's our foundation.

WE...

01 BUILD RELATIONSHIPS
We build relationships—with **students** & with **God**.
